

Simi Educators Scholarship Application Final Checklist

Note: We have provided you with this final checklist as the first page of your application packet to encourage and remind you to return to it only after completing each aspect of the application. When an *item* has been **completed totally**, please check it off on this page, but not before its completion. After all items have been completed, please sign the bottom of this page indicating every item has been thoroughly reviewed and completed. Our intent is to ensure that no application will ever have to be rejected due to only partial completion.
